

International Conference of Mathematical Physics

Kezenoi-Am 2017

August 9 – August 12
Grozny, Russia

Invited Speakers

F. Calogero

'La Sapienza' University of Rome, Italy

A. B. Borisov

Institute of Metal Physics, Ural Division of the RAS, Ekaterinburg, Russia

B. S. Bychkov

National Research University "Higher School of Economics", Moscow, Russia

D. I. Gurevich

Valenciennes University, France

A. G. Kusraev

Vladikavkaz Scientific Center RAS, Southern Math. Inst., Vladikavkaz, Russia

A. G. Meshkov

Orel State University, Russia

D. V. Millionshchikov

Moscow State University, Russia

V. N. Roubtsov

University of Angers, France

A. B. Shabat

Landau Institute for Theoretical Physics, Moscow, Russia

G. I. Sharygin

Moscow State University, Russia

M. M. Sirazhudinov

Dagestan State University, Russia

S. V. Sokolov

MIPT & Blagonravov Institute for Machines Science, Moscow, Russia

D. V. Talalaev

Moscow State University, Russia

A. V. Tsiganov

St. Petersburg State University, Russia

A. P. Veselov

University of Loughborough, UK

S. Wabnitz

University of Brescia, Italy

Programme Committee

V. M. Buchstaber

Steklov Institute of Mathematics, Moscow, Russia

A. V. Mikhailov

University of Leeds, UK

A. E. Mironov

Sobolev Institute of Mathematics Novosibirsk, Russia

A. B. Shabat

Landau Institute for Theoretical Physics, Moscow, Russia

V. V. Sokolov

Landau Institute for Theoretical Physics, Moscow, Russia

$$u_t + 6uu_x + u_{xxx} = 0$$

$$u_t + 6uu_x + u_{xxx} = 0$$

Arrival: August 08. Departure: August 12. More information on:
